

Aurora tour with dinner in Abisko

Scandinavian Photoadventures take you to Abisko, a 1,5 hour trip from Kiruna. Here we eat dinner and go out to look for the Northern Light.

We take a walk in the Abisko nationalpark to see and experience the spectacular Aurora Borealis.

This is a tour for you that not want to do an overnight trip to the famous Abisko. We pick you up at your hotel and take you for a 1,5 hour drive from Kiruna.

Here we eat a three course dinner at the restaurant, while our local guide tells about the area, about sami culture and about the Northern Light in sami tradition.

After dinner we take a walk in the Abisko Nationalpark, to look for the Aurora borealis. We can never guarantee that we will see the Northern Light, but because we go by car and our guides are wellknown with the area we have good possibilities to succeed. If you have camera with you, our photoguides will help you to take photos.

We are back in Kiruna again before midnight.
