

Aurora tour with dinner in Abisko

Scandinavian Photoadventures take you to Abisko, a 1,5 hour trip from Kiruna. Here we eat dinner and learn about the sami culture, the nature and the Northern Light.

We take a walk in the Abisko nationalpark to see and experience the spectacular Aurora Borealis.

From Kiruna we drive with car into the night. Our goal is to catch the Northern light, learn more about the nature, local culture and to visit the famous Abisko. Outside the window we see the stars, and if we are lucky, a hint of green auroras in the sky.

1,5 hour later we are there, going for a threecourse dinner down in the Abiskovillage. We talk about nature, sami culture, northern light and local history.

If the weather is good after dinner, we take a walk in the Abisko nationalpark, to experience the landscape and look for the northern light. Our guides are educated photo guides so if you bring your camera, we help you to take photos. If there is not good weather in Abisko we start to drive back to Kiruna, and if we are lucky the sky gets clear so we can stop to see the northern light. We are back in Kiruna before midnight.

Price: 2 550 SEK/person. Beverage and cameraequipment not included in the price.

The price includes: Transfer from your hotel, three course dinner, sami photoguide and a head lamp, warm clothes on request.

We recommend warm clothes for the season, good shoes, mittens, gloves and a good, warm hat.
