When the night light is on its way, we pick you up by car and drive into the forest. In the unique midnight light, we hike to our viewpoint, while our local guide tells us about nature, Sami culture and stories from the area.

In the magical evening light we make a fire, make tea and enjoy the fantastic scenery. We wait until midnight to get a chance to experience the midnight sun or the genuine midnight summer light in the north.

After midnight we get back to the car and drive to Kiruna. We are back late at night.

Price: SEK 1,890/pers. Children SEK 1,290/child 6-15 years. Private tour SEK 6,990, max 3 adults or 2 adults + 2 children, also younger children. Extra participant SEK 1,890/pers.

Included in the price: Pick-up from Kiruna tourist office or Camp Ripan, tea and a cake by the fire and Sami guide. We recommend warm clothes adapted for the season.

Participants: Minimum 2 adults, max 8.

Departures: 21.30-approx. 00.30. June 1 - Aug 20.

We have midnight sun in Kiruna from the end of May to the middle of July, but until the end of August we still have light in the evenings. We can never guarantee that you will see the midnight sun as it depends on clear weather.
