Scandinavian Photoadventures welcomes you to an night tour to Abisko to experience the midnight light and unique nature in Abisko nationalpark.

We go up to Aurora sky station with the lift and go for a walk on mount Nuolja enjoying the evening light.

After a 1.5 hour drive by car, we take the chair lift up to mount Nuolja and Aurora sky station in Abisko. While we walk in the mountains our local guide tells about the nature, Sami culture and stories from the area.

We enjoy the magic evening light having a cup of tea and a cake on our tour.

We enjoy the stunning landscape and wait for the midnight to get a chance to experience the midnight sun when it is clear sky.

After midnight we head back with the chairlift down to Abisko. We are back in Kiruna late in the night.
