

# Northern light photo tour

Available Sept 1 2020 - April 15 2021  
Rates valid May 1 2020- April 30 2021

**Scandinavian Sami Photoadventures** welcomes you to join our tour to experience the Northern Light and learn more about the arctic nature at the best places for chasing the northern light in Kiruna.

**You borrow camera** equipment from us or bring your own camera. As beginner or more experienced in photo our guides help you to get pictures to bring home for your album.

While waiting for the Aurora Borealis we, with help of the camera, teach you about the arctic nature, Sami culture and the basics of northern lights and night photography. We take photos not only of the northern Lights but also of ourselves and of the nature around us.

We can never guarantee that we will see the aurora but if it is not an auroral night we will teach you how you later, with your own camera, can create beautiful auroral images. We end the evening with a cup of coffee or tea by the fire.

**Price:** SEK 1 690/adult. Children 10-15 years SEK 1 050/child. Children share camera with parents. Private group SEK 8 000 max 4 pers, also children younger than 10 years old. Add on extra participants SEK 1 690/pers. SD memory card not included.

**The price includes:** Transfer from Icehotel, Kiruna tourist office or Camp Ripan, guide, warm clothes and shoes, a headlamp and a camera plus tripod.

Depending on the aurora forecast and the weather we have several locations to choose from and during the trip you will be able to warm up either in our Sami tent, in a cabin or by the open fire.

However, we recommend you to wear warm clothes for the season, mittens, gloves and a warm hat.

**Participants:** Minimum 2 adults, max 16. (Normally 8 pers/guide) Bigger group or other dates on request.

**Departure:** Daily tours between Sept 1 and April 15, from 19:30 to 23:30 (the time is approximate.)

Departure 1 hour later when summertime appears.
