

Aurora tour with dinner in Abisko

Available Sept 1 2023 - April 7 2024

Rates valid May 1 2023 - April 30 2024

Scandinavian Sami Photoadventures takes you to Abisko, a 1,5 hour drive from Kiruna. Here we have dinner and learn about the Sami culture, nature and the Northern Lights.

We stay in the Abisko area to see and experience the spectacular Aurora Borealis or chase Northern light on the way back.

From Kiruna we drive into the night by car. Our goal is to catch the northern lights, learn more about nature, local culture and visit the famous Abisko. Outside the window we see the stars, and if we are lucky, a hint of green auroras in the sky.

1,5 hours later we are there, for a three-course dinner down in the village of Abisko. We talk about nature, Sami culture, northern lights and local history.

We can never guarantee that we will see the aurora but if the weather is good after dinner, we will take a walk in the Abisko area, to experience the landscape and look for the northern lights. Our local guides are trained photo guides so if you bring your camera, we will help you to take photos.

If the weather isn't good in Abisko, we start driving back to Kiruna, and if we're lucky the sky clears up so we can stop to see the northern lights.
