Join us for ice skating on lakes and rivers in the Kiruna area. We skate longer or shorter, depending on your skills, while enjoying nature.

The guide tells about nature and the area, and we make a stop to rest and get served hot tea and cake on the tour.

Around Kiruna, Nikkaluokta and Abisko there are a number of frozen lakes that are good for an ice skating tour. For a short time, when the lakes just got frozen, we offer you to join us skating in nature.

Our experienced skating guides will safely take you out on the frozen lakes and rivers, following well-known skating tracks in the landscape. We learn more about nature in the area, some days we get to see fish swimming under the ice, other days the snow dances under our feet.

This is a tour for you that want to try ice skating on a frozen lake or for you that skated before and want help finding the best skating areas. You borrow skating equipment from us.

Price: SEK 1,890 SEK/person. Children 10-15 years old SEK 1,290/child. Private tour SEK 6,990, maximum 3 adults or 2 adults and 2 children. Also younger children than 10 years. Additional participants private tour SEK 1,890/person.

The price includes: Pick up from new Kiruna C or Camp Ripan, skate equipment, local guide, hot drink and cake and covering clothes.

We recommend preparing with warm clothes adapted to the season, mittens and a good hat.

Participants: Minimum 2 adults, maximum 8 persons.

Departures: 08.00-approx. 13.00. Oct 1 - Dec 20.

Note that when you join the tour also be aware that the time we are out can be much longer than planned due to transfer time to the skating location. The tour will be cancelled if there is nowhere to skate the date for departure, in that case we refund you the whole amount payed for the tour.

Younger children will be using a sledge/kick instead of skate equipment.

More information about the tours, cancellation policy and our sustainability work available on our web.
