After a 1.5 hour drive by car, we go for a hike in Abisko National Park. While we walk in the mountains and experience the midnight light, our local guide tells about nature, Sami culture and stories from the area.

We enjoy the magical evening light with a cup of tea and a cake. In the fantastic landscape we wait for midnight to get a chance to experience the midnight sun or the genuine midnight summer light in the north.

After midnight we return to our car and drive back to Kiruna. We are back late at night.

Price: SEK 1,890/pers. Children SEK 1,290/child 3-15 years. Private tour SEK 6,990, max 3 adults or 2 adults + 2 children. Extra participant SEK 1,890/pers.

Included in the price: Pick-up from new Kiruna C or Camp Ripan, ride with the chairlift to Aurora sky station when open, tea and a cake, Sami guide. We recommend warm clothes adapted for the season.

Participants: Minimum 2 adults, max 8. Bigger groups or other dates on request.

Departures: 20.30-approx. 01.30. June 1 - Aug 20.

We can never guarantee that you will see the midnight sun as it depends on clear weather.

When the chairlift to Mount Nuolja is closed, we hike in Abisko valley.
