Follow our Sami guide to pick berries and plants, all depending on the season. Learn about how they are and were used in Sami everyday life. Take part in an interesting day out in nature.

Eat a Sami inspired dinner with taste from what we have found in the forest.

Our Sami guide takes you to the countryside to collect berries and plants, depending on the season.

We learn about how they have been used and are used in Sami tradition and learn more about plants, nature and wildlife in the area.

We make a fire and drink coffee or tea. When we are done we go to the restaurant for dinner.

We bring our collected pantry and meet the chef. Based on what we have with us, the kitchen prepares a sometimes innovative, sometimes traditional meal.
