Join us on a tour to ski in Abisko, enjoy the beautiful mountain areas and learn more about the arctic nature.

We ski long or short depending on your skills, and enjoy the landscape around us in the national park.

We drive 1,5 hour by car to Abisko national park to ski in the mountain area. We start our tour following the famous Kings trail, following the ski tracks to Gorsavaggi or if it is difficult to go there we are skiing into the forest.

The guide tells about nature, the arctic animals and stories from the area while skiing. You will also learn more about Sami culture on the tour.

We stop for a cup of tea in an open spot in the forest, and enjoy the scenery before heading back to Abisko village. We end the tour having lunch in the restaurant before starting our tour back to Kiruna.
