Join us on a cross-country ski tour at the nice ski tracks around Kiruna, learn more about the arctic nature.

We ski longer or shorter, depending on your skills, and enjoy the nature while the guide teaches you how to get better at skiing.

We bring you out for a day tour in the surroundings of Kiruna. We have a lot of great ski tracks here in the area and our guides will choose a track that suits your skills.

We ski out in nature and the guide tells us about the Arctic nature and the Kiruna area. When we stop to rest in the forest we are served a cup of tea.

This is a tour for you that want to try cross-country skiing or for you that have skied before. You borrow ski equipment from us.

The tour can be both longer and shorter depending on your skills and how far away we go to the ski tracks.

We recommend preparing with warm clothes adapted to the season, mittens and a good hat.

The tour will be cancelled if there is nowhere to ski the date for departure, in that case we refund you the whole amount payed for the tour. Younger children will be using a sledge instead of ski equipment.
