

# 5-day sami northern light winter photo course

A typical arctic winter night is cold and clear with lot of possibilities to spot the northern light. The snow reflect the light from the sky and make us beautiful photos of the nightly winter landscape. As grown up in the Sami area we know where to find the lady aurora. We take you to our secret photo spots and give you in daytime excursions to discover the Kiruna area with Icehotel, arctic animals and Sami life and learn more about photography together with our experienced local Sami photo guides.

**Dates of departure:** dec-march

**Participants:** Minimum 4, maximum 8 people.

**Price:** SEK 17590/person. All inclusive. (2 pers/room) + SEK 2600 single room. (Beverage and SD card not included)

**The price includes:** Pick up in Kiruna. 4 nights in doubleroom, all inclusive, warm cover clothes, a Sami evening arrangement, Icehotel tour, photo equipment and time for personal coaching.

## Program

### Day 1

Pick up and transport to our accomodation in Kiruna, introduction and welcome dinner. In the evening, transport to the nights Northern light photo course.

### Day 2

Transport with minibus to Jukkasjärvi, visit to the famous Icehotel and visit to Nutti Sami Siida and their reindeers. Lunch in Jukkasjärvi. In the evening two-course dinner and transport with dogsledge or reindeer to the northern light photo location for the night.

### Day 3

Pick-up and wildlife and nature photography, transport to the Sami village Nikkaluokta, close to Sweden's highest mountain Kebnekaise. Lunch and check in at our cabins. In evening a Sami dinner arrangement and then transport to our location for northern light photography.

### Day 4

Guided morning walk around Nikkaluokta if you want. Lunch and check out from your cabins. Transport back to Kiruna. In the evening dinner and after dinner northern light photography.

Also possibilities to buy ad-on packages as tour with snowmobile in Kebnekaise area, dogsledge tour or reindeer sledging.

### Day 5

Check out and transfer to airport.
