

Photowellness® women tour in Abisko

Follow us to the Abisko National Park, in the season when the mountain slopes are in their most beautiful autumn colours and the air is clear. We invite you to a wellness tour with photo theme to feel good with wellness activities, excellent food and peaceful relaxation.

Dates of departure: September

Participants: Minimum 4, max 12 people

Price from: 3.900 SEK/person

The price includes:

Four days of photo and wellness activities, ride with the chair lift to Mount Nuolja, a Sami evening arrangement and dinner day 3, possibility to borrow photo equipment and time for personal coaching.

Day 1

We meet at Abisko Mountain lodge 4.00 pm to learn to know each others. We prepare our camera equipment and go out in the beautiful landscape for our first photo session.

Day 2

We start the morning with wellness activity. We pack our backpacks with camera and a lunch package and ride with the chairlift up Mount Nuolja, with a marvellous view of Lake Torneträsk and Čuonjávággi - Lapporten. In the evening we invite you to a Sámi activity under the Northern lights.

Day 3

Today we meet the sun rise. We prepare our equipment and ourselves for a tour in the mountains. The theme for today is «The small landscape». It's easy to forget to look at the small beautiful things we have in the nature. In the afternoon we have time for ourselves with possibility of relaxation and sauna. In the evening we invite you to dinner.

Day 4

We start the morning with a wellness activity before it's time for check out.
