Our indigenous Sami guides invite you to their home area, close to the highest mountains in Sweden, for a cosy evening under the Northern lights. While we are served a Sami three-course dinner, our guide shows a slideshow and tells about the arctic nature, Sami culture and Sami traditions.

After dinner we prepare for the northern lights. We go out in the mountain area to enjoy the show or if it is cloudy we start driving back to Kiruna. We can never guarantee that we will see the Aurora, but with the possibilities to pass different weather zones we increase our chances.

If you bring your own camera we will help you to get the right settings and to get pictures from the evening. You can also borrow a tripod. We provide tripods for your own camera or for mobile phone.

Price: SEK 2,690/adult. Children SEK 1,790/child, 3-15 year. Private tour SEK 12,990 max 2 pers (SEK 16,990 Dec 15-Feb 15), add on extra participants SEK 2,590/pers. Beverage and camera equipment not included. Price valid until Oct 31.
